Servants by Design™ Certification Workshop

March 17 - 18, 2011

September 15 – September 16, 2011

I have heard from many of you over the past months who have been teaching the *Servants by Design™ / Your Unique Design™* materials and have had a great time doing so. You have sent me stories of significant insights and life changes that have happened as God has used these materials to make others aware of their special design and the designs of those around them. I hope that you have had good experiences with your groups also.

I wanted to write and let you know that we are announcing our March 17 – March 18, 2011 and September 15 – September 16, 2011 training sessions for the *Servants by Design™ / Your Unique Design™* for three reasons. Alumni are free and you may bring a non-alumni spouse and have them certified also for \$100.

- The main reason is that I want to invite you to come and brush up on your skills or just take a couple of days off at our retreat center, Altamira, to cool your heals and swap stories with others who are using the materials. There is no cost for returning alumni and, as you may remember, we eat very well. Those who have repeated the training tell us that they left with increased confidence and enthusiasm. Jerry has done a lot of work on the Marital Seminar which will also be shared.
- The second reason is to announce the launch of our long-awaited website. After years of hard work and development, we will be rolling out our new website which will make e-payment and automatic and instantaneous fulfillment of profile orders possible. This website will be growing over the next year and will include support materials, registration, and a communication capability between all who are interested in the spiritual application of Dr. Kahler's Process Communications Model™. We are developing a group of trainers who are well versed in the *Servants by Design™* materials and have a passion for extending its influence. We have already had requests for trainers in different areas and know that this need will grow far beyond our capacity to travel and teach. Our site will provide a means for making connections between training opportunities and available trainers.
- The third reason is so you may share this announcement with anyone who you think might be interested in our materials and training. I have attached a copy of the training announcement letter and registration form so that you may give it to anyone who you think might be interested.

We continue to get exciting feedback from our trainers who share stories of individual lives, marriages and families, significantly changed by a deeper understanding of how God has designed each of us and how that design influences our ministries, relationships and view of how our unique gifting can

contribute to the Kingdom. These changed lives continue to occur in families, small groups, men's groups and churches with thousands of participants. We would love to see you again and do everything in our power to make you a successful part of this process.

Please let us know if you will join us. I have attached a registration form or you can just call Susan at 501-219-2419 and let us know to expect you. If there is anything else that we can do to make it easier and/or more productive for you to use these materials, please let us know.

Sincerely,

A handwritten signature in black ink that reads "Robert S. Maris Ph.D." in a cursive style.

Robert S. Maris
President, Transpersonal Technologies, L.L.C.

P.S.

If you have had a change of address or prefer that I send your e-mail to a different address, please let me know that also. We have some new materials in the mill and I want to make sure that you get them when they are completed.
